3. Scope of Application

These Procedures shall apply to the administration of Part IV of the Act with respect to employees of the Board.

PART II – PROCEDURE IN RELATION TO DECLARATIONS

4. Administration of the Procedures

(1) The Secretary shall administer these Procedures on behalf of the Board;

(2) The Secretary may designate officer(s) from among the employees of the Board to administer the Procedures or any part thereof in respect to any specified category of employees of the Board;

(3) The designation under sub-paragraph (2) shall be in writing and shall outline the specific tasks to be performed by the Designated Officer.

5. Procedure in Submitting Declarations

(1) An employee shall submit a declaration in the Form set out in the Schedule to the Act.

(2) The Board may use such measures as may be appropriate to facilitate an employee to acquire the form referred to in sub-paragraph (1).

(3) The Board may publish the declaration form in a format that may permit the declaration form: -

(a) to be rendered in digital format; or

(b) to be downloaded from a website and printed out in paper format.

(4) Where an employee is required to make an initial, two-year or final declaration, the Secretary or Designated Officer may issue a notification to the employee not less than thirty (30) days before the due date for the declaration,

(5) For avoidance of doubt, failure to provide a declaration form or to issue a notification under this paragraph shall not be construed as a waiver of the responsibility of the employee to submit a declaration under the Act.

6. Completion and Submission of Declarations

(1) An employee shall complete and submit the declaration form to the Secretary.

7. Register of Declarations

(1) The Board shall maintain a register containing details of each employee who is required to make a declaration in accordance with the Act. The register shall include-

(f) Total number of employees required to submit declarations; and

(g) Any remarks relating to the declarations.

(2) A register under this part may be maintained in separate documents.

8. Reports on Compliance

1. The Board shall submit to the Commission a report containing the following information:

(a) In relation to two-year declaration -

(i) The number of employees on the payroll as at 31st October of the year of declaration;

(ii) A certified copy of the register maintained in accordance with paragraph 6;

- (iii) The total number of employees who have complied with the requirement for declarations;
- (iv) The total number of employees who have not complied with the requirement for declarations;
- (v) Action taken by the Board in relation to any employee who has not complied;
- (vi) Any relevant remarks on the submissions.

(b) In relation to the initial and final declaration;

- (i) Number of employees required to make a declaration;
- (ii) The number of employees who have complied with the requirement for declaration;
- (iii) Number of employees who have not complied with the requirement for declarations;
- (iv) Action taken in relation to any employee who has not complied;
- (v) Any relevant remarks on the submissions.

2. The report under this part shall;

- (a) In relation to a two-year declaration, be submitted to the Commission, not later than 31st July, of the year following the declaration;
- (b) In relation to initial and final declarations, be submitted to the Commission not later than 31st July following the end of the financial year within which the declarations were made.

#### PART III—PROCEDURE IN RELATION TO CLARIFICATIONS

##### 9. Requests for Clarification

1. The Secretary or the Designated Officer shall review each declaration to ascertain if any of the following conditions exist—

- (a) on the face of the declaration, or in light of any other information the Board may have, there is reason to suspect the declaration may be false or incomplete;
- (b) the assets of the declarant appear disproportionate to his or her known income;
- (c) the income, assets or liabilities of the declarant raise concerns of impropriety or conflict of interest.

(2) If it is suspected that any of the conditions in subparagraph (1) exist, the Secretary or Designated Officer shall give the declarant an opportunity to make a clarification in accordance with section 28(1) of the Act.

(3) Request for a clarification shall be made in writing.

(4) The Secretary or Designated Officer shall, in the register of declarations, document the particulars of clarification sought, the mode of communication, the time given to respond, the date and particulars of response, if any.

(5) If no explanation is given, or if after considering any explanation the declarant may give, the Secretary or Designated Officer is of the opinion that the conditions in subparagraph (1) (b) still exist, the Secretary or Designated Officer may, in addition to any other action including investigations and commencement of civil proceedings, take disciplinary or other appropriate action against the employee.

#### PART IV—PROCEDURE FOR THE ACCESS OR PUBLICATION OF INFORMATION IN A DECLARATION

##### 10. Access and Publication of Information in a Declaration

(1) The Board or any other person shall not disclose, access, acquire or publish the information in the declaration form except as may be provided in the Act, the Regulations, these Procedures, or any other written law.

(2) A person who wishes to gain access or to publish information in relation to a declaration under the Act shall: -

- (a) apply to the Board in the form set out in Appendix I; and
- (b) demonstrate to the Board that he or she has a legitimate interest in the information; and
- (c) demonstrate to the Board that the access to or publication of that information shall be for a good cause and in furtherance of the objectives of the Act.

(3) Where the information is intended to be disclosed or publicized, the applicant shall expressly state so in the application.

(4) Where a person has made an application to the Board in accordance with this paragraph; -

- (a) the Board shall issue the applicant with an acknowledgement in the form set out in Appendix II;
- (b) the Board shall inform the declarant of the application in writing;
- (c) the Board shall give the declarant an opportunity to make a representation in writing in relation to the application within 14 days; and
- (d) the Board shall take into consideration the representation by the public officer while determining the application.

(5) The Board shall determine an application made in accordance with this paragraph and communicate its decision in writing to the applicant within thirty (30) days of receipt of the application.

(6) For the avoidance of doubt, the Board shall not release or part with the original declaration made by any employee in satisfying the requirement of this paragraph, unless required for investigation by a law enforcement agency or by any written law.

PROVIDED that where an original declaration is released under 10(4) above the Board shall always retain a certified copy of the declaration;

(7) The Board shall maintain a register of applications and decisions made under this paragraph setting out:-

- (a) the name of each applicant;
- (b) the date each application was received;
- (c) the name and personal number of the employee who is the subject of the application;
- (d) the department or other unit to which the employee belongs;
- (e) a brief description of the information applied for;
- (f) whether the employee accepts or opposes to the information applied for;
- (g) a brief description of the decision made in relation to the application including reasons for denial where applicable; and
- (h) date when the decision was communicated to the applicant.

##### 11. Access by Declarant

An Application for access by an employee to his or her declaration may be determined by the Secretary.

##### 12. Proof of Identity

The Board shall not give access to the information in a declaration to: -

- (a) the employee unless the employee proves his or her identity; or
- (b) a representative of the employee unless that representative: -
  - (i) Provides proof of his or her authority to act as a representative of the employee; and
  - (ii) Provides proof of identity of the employee.

##### 13. Decision to be Final

(1) Except as provided under the Act, Regulations and these Procedures, the decisions of the Board in relation to a declaration by an employee shall be final.

(2) Any person dissatisfied with the decision may appeal in accordance with the procedures set out in the Public Officer Ethics (Management, Verification, and Access to Financial Declarations) Regulations, 2011.

##### 14. Regulations to Apply to this Part

This part shall be read and construed together with the Public Officer Ethics (Management, Verification, and Access to Financial Declarations) Regulations, 2011.

ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT  
 FOR THE PROPOSED INSECT REARING AGRIBUSINESS OF  
 BLACK SOLDIER FLY FARM AT RED HILL AREA PLOT NO.  
 27198 LIMURU SUB-COUNTY, KIAMBU COUNTY

INVITATION OF PUBLIC COMMENTS

PURSUANT to regulation 21 of the Environmental Management and Co-ordination (Impact Assessment and Audit) Regulations, 2003, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The proponent, Insectipro Limited, is proposing entail setting up an insect rearing agribusiness of black soldier fly farm at Red hill area to produce protein ingredients that will be used for feeding livestock and poultry on Plot L.R. No. 27198 Limuru Sub-County, Kiambu County.

The following are the anticipated impacts and proposed mitigation measures:

Impact	Proposed Mitigation Measures
Black Soldier rearing	<ul style="list-style-type: none"> <li>There shall be mitigation measures to prevent identified social impacts to workers and community.</li> <li>Prevent health and safety impacts.</li> <li>Prevent any environmental impacts to the surrounding community.</li> <li>Prevent emergent of new trends of pest infestation e.g. fruit flies.</li> </ul>
Construction and Safety	<ul style="list-style-type: none"> <li>Proper personal protective equipment i.e. safety boots, helmet, goggles, respiratory equipment and gloves shall be used at all times on the site during construction or as condition warrant and workers trained on the proper use of tools</li> </ul>

<i>Impact</i>	<i>Proposed Mitigation Measures</i>	<i>Impact</i>	<i>Proposed Mitigation Measures</i>
	<ul style="list-style-type: none"> <li>• Prior to the start of the construction, all areas shall be inspected for the presence of potentially hazardous substances.</li> <li>• Contractors and managers shall use barriers and guards as necessary to protect employees and visitors from physical hazards. Danger warning or CAUTION will be put at strategic places.</li> </ul>		<ul style="list-style-type: none"> <li>• Control areas generating dust particles through regular cleaning or sprinkling of water to suppress dust.</li> <li>• The number of construction equipment operating simultaneously shall be minimized through efficient management practices.</li> <li>• Stockpiles of sand and soil should be covered or surrounded with wind breaks</li> </ul>
Soil erosion	<ul style="list-style-type: none"> <li>• There should be no unnecessary movement of soil materials from the site.</li> <li>• The site shall be horded to prevent excavated soil from filling the river.</li> <li>• Soil conservation structures should be provided on the areas prone to soil erosion mostly to reduce impact by the run-off.</li> <li>• There should be controlled construction activities especially during rainy conditions.</li> <li>• Resurface (pave) open areas on completion of the project.</li> <li>• A suitable storm water drainage channels should be done to effectively discharge water safely. Such channels need to be regularly maintained. Point discharges which have pronounced effect to soil erosion shall be avoided</li> <li>• Standard landscaping shall be conducted after project completion to maximally control any possible chance of soil movement.</li> </ul>	Surface drainage	<ul style="list-style-type: none"> <li>• Drainage channels shall be installed in all areas that generate or receive surface water and be connected to the existing storm water drainage channel.</li> <li>• The channels shall be covered with gratings or other suitably approved materials to prevent occurrence of accidents and dirt entry that may compromise flow of run-off.</li> <li>• Paving of the sidewalks, parking and other open areas shall be done using pervious materials i.e. concrete blocks to encourage water percolation thus reducing run-off volume.</li> <li>• Storm water generated from roof catchments shall be harvested, stored and made use of in various activities e.g. general cleaning and vegetation watering thus reducing run-off and pressure on water supply.</li> </ul>
Occupational Health and Safety- increased hazards to health and safety such as dust, air, and noise pollution.	<ul style="list-style-type: none"> <li>• Sanitary facilities shall be provided and cleanliness shall be ensured as per set standards.</li> <li>• A fully equipped first aid kit shall be provided and shall be managed by qualified persons.</li> <li>• Adherence to environmental health and safety regulations.</li> <li>• Individual food vendors preparing food for the workers at the site shall be controlled and monitored to ensure that food is hygienically prepared.</li> <li>• Ensure consistently good water quality through regular water analysis to ascertain compliance to public health standards.</li> </ul>	Solid waste	<ul style="list-style-type: none"> <li>• Provision of bins, one for organic matters and the other mineral matter. These will be of approved type, size and color to effect waste separation and disposal. The bins shall be kept in a good condition and sanitarily cleaned by frequent washing and disinfecting.</li> </ul>
Increase in consumption of fossil fuels	<ul style="list-style-type: none"> <li>• Strict avoidance of oil grease spills and leakages</li> <li>• Construction of oil interceptors if need be.</li> <li>• Oil product and materials shall be stored appropriately</li> </ul>	Fire hazards	<ul style="list-style-type: none"> <li>• All fire control and fighting facilities shall be installed following county government fire master's requirements and approval.</li> <li>• The dwellers shall be encouraged to be aware of requisite actions on basic first aid to take in case of fire outbreaks.</li> <li>• The proponent shall ensure that all firefighting equipment are strategically positioned, regularly maintained and serviced.</li> <li>• There shall be provided fire hazard signs such as no smoking signs, directions to exit in case of any fire incidence; and emergency contact numbers shall be provided.</li> </ul>
Construction and Safety	<ul style="list-style-type: none"> <li>• Proper personal protective equipment i.e. safety boots, helmet, goggles, respiratory equipment and gloves shall be used at all times on the site during construction or as condition warrant and workers trained on the proper use of tools</li> <li>• Prior to the start of the construction, all areas shall be inspected for the presence of potentially hazardous substances.</li> <li>• Contractors and managers shall use barriers and guards as necessary to protect employees and visitors from physical hazards. Danger warning or CAUTION will be put at strategic places.</li> </ul>	Energy demand and conservation	<ul style="list-style-type: none"> <li>• Energy conservation involves optimum use of fossil fuels, electrical appliances (equipment) lighting systems and other electric machinery and equipment as used for different purposes. It also includes the use of renewable energy sources.</li> </ul>
Dust pollution	<ul style="list-style-type: none"> <li>• Provide full protective gear for workers e.g. dust masks. Workers shall also be sensitized on hazards encountered in such work environment and shall undergo regular health check-ups.</li> </ul>	Accidents	<ul style="list-style-type: none"> <li>• Ensure that the operational manuals are available and accessible for every equipment /machinery</li> <li>• Properly maintain all machinery and equipment to prevent premature failure or possible accidents</li> <li>• All electrical equipment and machinery shall be properly grounded</li> <li>• Only properly trained employees to operate equipment or machinery and proper instructions in their safe operation shall be provided.</li> </ul>
		Waste water	<ul style="list-style-type: none"> <li>• Contain all the exudates and effluent from fruits received from the markets at a containment and treatment plant that shall be treated. The containment and treatment will reduce dour from the organic waste used as input materials.</li> </ul>

ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT  
FOR THE PROPOSED NUCLEAR PROGRAMME IN KENYA

INVITATION OF PUBLIC COMMENTS

IN LIGHT of the provisions of section 57 A of the Environment Management and Co-ordination Act (EMCA) Cap. 387, Regulation 42 and 43 of Environmental (Impact Assessment and Audit) Regulations Legal Notice No. 101 of 2003, the National Environmental Management Authority (NEMA) has received a Draft Strategic Environmental and Social Assessment (SESA) Report for the Proposed Nuclear Programme in Kenya. The SESA findings are expected to integrate the existing sectoral plans and programs to establish a sustainable development mechanisms.

Nuclear Power and Energy Agency (NuPEA) is the PPP owner. The Nuclear Programme in Kenya is to assist Kenya systematically and comprehensively address the unique issues of nuclear power programme based on the Strategic Plan for Nuclear Power Programme 2013 for Kenya and any other relevant information. The SESA covered the whole of Kenya. However, special focus was given to the candidate areas mapped as technologically potential for siting the nuclear reactors based on the availability of cooling water. The most suitable geographic areas for this purpose are the Coastal Region, Lake Victoria Basin and the Tana River Basin

The Strategic Environmental Assessment (SEA) Objectives are:

- To ensure sustainable use of natural resources in the implementation of the nuclear power programme
- To assess the level of environmental sustainability in the proposed Nuclear Power Programme
- To devise mechanisms to ensure enhanced protection and conservation of biodiversity, natural environment and built environment in the activities of the programme
- To ensure integration of socio-economic and environmental factors in the nuclear power programme
- To ensure public/ stakeholder participation in the decision-making process for Kenya's nuclear power programme.

#### ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT FOR THE PROPOSED IRON ORE EXTRACTION PLANT IN TOKECHIR, MBARU AREA OF WEST POKOT COUNTY

#### INVITATION OF PUBLIC COMMENTS

PURSUANT to regulation 21 of the Environmental Management and Co-ordination (Impact Assessment and Audit) Regulations, 2003, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The proponent, Shancebal Limited, proposes to set up a Mini-Iron Ore Extraction plant in Mbaru area, West Pokot County. The project features an open cast mine and auxiliary facilities such as access roads, power, water, site offices, sanitary facilities, generator room and explosive stores among others. The mining phase will involve the following activities; blasting, loading and transportation of boulders to the crushers. At the crushers, rocks will be passed through a system of conveyor belts and sieves where they will be broken into different categories of rock fragments. The gangue rock, from the wall and the floor is separated from the ore. Unwanted boulders are dumped into stockpile that will be later used for backfills. The average production per day is estimated at 500 tonnes.

The following are the anticipated impacts and proposed mitigation measures:

<i>Impact</i>	<i>Proposed Mitigation Measures</i>
Noise Pollution and vibration	<ul style="list-style-type: none"> <li>Equip workers with standard noise attenuation features</li> <li>Inform neighbours of any abnormal sound and response measures</li> <li>Compliance with noise and excessive vibration regulation</li> <li>No discretionary use of noisy machineries</li> <li>No construction work at night</li> </ul>

**IMPORTANT NOTICE TO SUBSCRIBERS TO  
THE KENYA GAZETTE**

THE following notes are for the guidance of persons submitting "copy" for inclusion in the *Kenya Gazette, Supplement, etc.*:

- (1) *The Kenya Gazette* contains Notices of a general nature which do not affect legislation. They are, therefore, submitted to the Government Printer directly.
- (2) *Legislative Supplement* contains Rules and Regulations which are issued by the National or County Governments. Because of this, they must be submitted to the Government Printer through the office of the Attorney-General.
- (3) *Bill Supplement* contains Bills which are for introduction in the National Assembly, Senate or County Assemblies.
- (4) *Act Supplement* contains Acts passed by the National Assembly, Senate or County Assemblies.

All "copy" submitted for publication should be prepared on one side of an A4 sheet no matter how small the Notice is, each page being numbered and should be typed with double spacing. Copy should be clear, legible and contain no alterations.

Particular attention should be paid to the following points:

- (i) Signature must be supported by rubber-stamping or typing the name of the signatory in capital letters.
- (ii) Must be correct and filled in where necessary.
- (iii) Care should be taken to ensure that all headings to Notices and references to legislation are up to date and conform with the Revised Edition of the Laws of Kenya.
